

Aesthetic Session 1 Abstracts from PSTM 2016 Abstract Supplement: Erratum

Aesthetic Session 1 Abstracts presented at the American Society of Plastic Surgeons (ASPS) 2016 annual meeting were not initially published with the following supplement to *PRS Global Open*: September 2016 - Volume 4 - PSTM

2016 Abstract Supplement 9S. The American Society of Plastic Surgeons regrets this error. The Aesthetic Session 1 Abstracts were published after the initial publication of the supplement.

A New Modified Closed-Open Approach as Part of a Graduated and Integrative Approach to Rhinoplasty: Erratum

In the abstract, A New Modified Closed-Open Approach as Part of a Graduated and Integrative Approach to Rhinoplasty, which published in September 2016 - Volume 4 - PSTM 2016 Abstract Supplement 9S, the first and last names Dr. Mouchammed Agko were reversed. The corrected author byline appears below:

Abstract: A New Modified Closed-Open Approach as Part of a Graduated and Integrative Approach to Rhinoplasty

Röjdmark, Jonas MD, PhD; Agko, Mouchammed, MD
